

On behalf of the Federal Women's Program at the National Energy Technology Laboratory, I would like to thank you for participating in our Women's History Month Essay Contest. There were 286 essays submitted with varied topics from mothers to grandmothers, educational, friends and historical individuals.

The top five essayists were invited to participate in the Women's History Luncheon with their parents and teachers. Each of the finalists received a medal, shirt and certificate for their submission. There were two individuals that tied at fourth place, so they were included as honorable mentions. The winning entries were:

1st Place – Mara Fancsali, St. Elizabeth Elementary School

2nd Place – Dana DePasquale, St. Maurice School

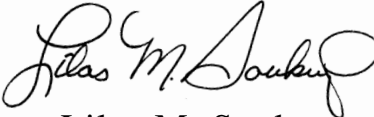

3rd Place – Alisa Cullison, South Park Middle School

Honorable Mention – Marissa Stevens, Albert Gallatin Middle School

Honorable Mention – Kaleigh Funyak, St. Elizabeth Elementary School

A copy of the program with each participant's essay and a certificate for those students submitting an essay are included.

We look forward to your participation in next year's contest.

Lilas M. Soukup
FWP Manager
